### School theme: Prudence in words and deeds; Empowering others through self-excellence

Thank God, over the past year, through a series of 70th anniversary celebration events, gathered generations of "CHRISTians", staff who support and love our school, alumni and parents, altogether reminisced about the abundant grace God has been pouring into our school in the past 70 years.

Looking back at the school history, our school founders realized that after World War II, Hong Kong suffered from a lack of social resources and a large number of out-of-school children. In 1953, they resolutely pushed through all challenges to establish Christ College in Kowloon City. In 1977, there was the illuminated slogan board written "Christ is the Light of the World" installed on the exterior wall of Christ College's former campus (now the "Cornerstone Education Centre"). It symbolized the commitment of the church and the school to shine for God in Kowloon City, a complicated grassroots community at that time. Just as how Jesus Christ taught his disciples in Sermon on the Mount: "In the same way, let your light shine before others, so that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16), I deeply hope that Christ College will serve as salt and light in the future, sharing the love of Jesus Christ in the community.

Among the school anniversary celebration events held last year, I felt most impressed and touched in the Lighting Ceremony during the School Anniversary Thanksgiving Service. At first, I lit the candle in my hand and passed the light to the Form 6 students, the Form 6 students then passed it to the Form 5 students and so on, until the Form 1 students took the candle light. This Lighting Ceremony symbolized the passing on of the identity of "CHRISTian" from generation to generation. I firmly believe that every "CHRISTian" will be able to continue the mission of "Caring for the Community and Preaching the Gospel", to glow and shine for Jesus Christ in different places.

### Principal's Address

Our school theme this year is "Prudence in words and deeds; Empowering others through self-excellence". The theme Bible verse is: "I know, my God, that you test the heart and are pleased with integrity." (1 Chronicles 29:17) I hope you can learn from Lord Jesus Christ's teaching, show prudence in your words and deeds; always maintain a humble and reverent heart, an upright body and an honest mind, be a person who walks the talk. I believe that you should first pursue a life with self-excellence, then empower others, positively impact people around you and even the community, and bring blessings to more people.

Recalling my memories of the past summer vacation, Paris held the world's most appealing event, the Olympic Games. In the Opening Ceremony, I shared three of my most unforgettable moments of the Games to encourage everyone, they include:

1. The Chinese young diver Quan Hongchan. She possesses that quality of humility, who always unyieldingly and constantly strives for improvements — Don't let anyone look down on you because you are young;
2. Ni Xialian, a 61-year-old former Luxembourg table tennis national team key player. She has always stayed passionate to chase her dream in table tennis. No matter win or lose, she enjoys every game as a bed of roses, and takes delight in achieving her life goals — To press on toward the mark;
3. Every Paralympic athlete who does not mind their self-limitations and overcomes all difficulties to break through. They do not give up easily, they undergo trials and errors, and continuously strive to discover and develop their personal talents — You are the treasures in the eyes of God, make good use of your gifts.

Finally, as the principal, I hope that all students can set clear goals for themselves in the new school year, learn from these Olympic figures, break through limitations with courage, and work towards aspirations and dreams.

## Lam Pak Yin Cyrus

Bachelor of Science in Interdisciplinary Data Analytics & X  
Double Major, The Chinese University of Hong Kong

I'm grateful for the opportunity to study at Christ College, which has given me countless unforgettable memories and valuable lessons. I met many intelligent individuals, enriching my secondary school life. During my time there, I discovered my goals and pursued them, ultimately achieving excellent grades in the DSE exam. As a result, I was accepted into my first-choice university, the Chinese University of Hong Kong.

In addition to academic growth, I explored various interests and hobbies. I participated in choir for five years and a cappella team for three years, nurturing my musical passion. In sports, I joined the VX ball team and was proud to be the first runner-up in a territory-wide competition. I also spent four years in the English drama club, developing my theatrical skills.

The teachers at Christ College are thoughtful and kind, always ready to help with both academic and personal challenges. Their support has been invaluable. I am proud to call Christ College my alma mater, and I hope they are proud to call me an alumnus.

## Zeng Long Yat Terry

Bachelor of Global Business Systems Management,  
City University of Hong Kong

Studying at Christ College was truly an amazing experience! Even though I have graduated, my secondary school days remain dearly missed. I often find myself longing to revisit the Biology laboratory and see the fish and turtle again. I'm so thankful for the lifelong friends I made and the incredible teachers I met there. Everything about Christ College was just wonderful!

Now, I'm studying at City University of Hong Kong and it's so cool! I love the "CityU ice cream" and the "CityU milk". The university life at CityU is enriching! I've made some really fun foreign friends and tackled lots of group projects with them. The homework can be tougher than high

school, but the extracurricular activities are super exciting. Don't miss out on the orientation camp when you start your university life—it's a blast! Remember to work hard, aim high, and chase your dreams!

## Lau Ka Yu Dipsy

Bachelor of Science (Honour) Scheme in Building  
and Real Estate, The Hong Kong Polytechnic  
University

Reflecting on my time at Christ College, I realize I gained much more than just academic knowledge. I learned the true value of love and compassion — qualities that have shaped me into a more caring individual. The supportive environment created by our teachers made it easy for us to thrive. They consistently provided guidance and encouragement. Whenever I faced difficulties, whether in my studies or personal life, I never hesitated to seek help from my teachers. I encourage everyone to ask for support when needed.

Transitioning to university, I encountered new challenges that demanded greater independence. I learned to manage my time effectively, tackle assignments on my own, and establish a consistent study routine. While it may sound intimidating, university life is incredibly rewarding. It offers countless opportunities to meet new friends and engage in diverse experiences, making the journey both enriching and enjoyable.

So let's work hard and meet in university!

## Wong Yan Lam Kitty

Bachelor of Science (Hons) Scheme in  
Biotechnology and Chemical Technology,  
The Hong Kong Polytechnic University

During my secondary school life at Christ College, I was fortunate to meet a group of teachers and students who helped me to find my own value. When I was a junior form student, I didn't have any goals that I wanted to pursue. However, through my teacher's inspiration, I started to be interested in science and worked hard to boost my academic performance.

After I entered university, I found that knowledge has become more complex and challenging. However, the flexibility and freedom of university life allows me to explore various study methods that suit my learning style. I embrace this opportunity to engage in extracurricular activities that I am interested in, such as joining clubs and participating in events. This balance between academic rigor and personal exploration has fulfilled my university experience and helped me grow both intellectually and socially.

Please remember that every challenge is an opportunity for growth. Stay curious, support one another, and never hesitate to seek help. Your hard work and determination will lead you to success. Keep pushing forward and believe in yourselves!

## Lin Runyu Kelvin

Bachelor of Engineering in Energy and Environmental Engineering, The Chinese University of Hong Kong

As my six years of secondary school life came to an end, I felt incredibly fortunate to have been a part of Christ College. In this big family, I've deeply experienced the care and encouragement from both classmates and teachers. I never imagined I could successfully enter university, as English has always been my stumbling block. Whenever I felt like giving up, my teachers and classmates were always there to lend a helping hand, constantly encouraging me and never letting me quit.

At school, I was a member of the basketball team. Despite our team's less-than-stellar performance, I never received negative feedback. Coaches and teachers would always point out areas for improvement, helping me progress.

Remember, your classmates might become your lifelong friends, so cherish every classmate and teacher around you. Whether memories are good or bad, keep them close, and use past experiences to face future challenges. I believe you will succeed.

To the younger students, I hope you will fully immerse yourselves in campus life and create cherished memories. I also wish the Form Six students the best in preparing for the DSE. Do your best and perform well.

## Chen Yunfeng

School of Engineering,  
The Hong Kong University of Science and Technology

Unlike other students, I didn't do many things that were meaningful at Christ College. For me, it is a place for studying and chatting with friends. I was not a hard-working person and I did not study at home but Christ College became my first choice for studying and also the first choice to do revision when I was in Form 6. The school provided a relaxing and comparatively quiet space for me to do revision and past papers. I often went to the Physics laboratory or stayed in the classroom to do past papers, depending on where my friends were. This period helped me get a relatively high score in HKDSE.

Teachers at Christ College were... great! They tried to help me as much as they could. Not only could they provide a lot of resources to me, but also held some activities to help us relax and release stress. They were not only focusing on my academic performances but they really cared about me. Please allow me to tell you a story. In the past, I thought that I was a dingy person and always in bad mood. I even thought that everything to me was meaningless. One time, I submitted one of my Chinese writings to my teacher and suddenly, I was enlightened. Actually, I did not think that I did anything wrong in my writing, but the feedback and comments that the teacher gave me really inspired me and helped me overcome the obstacles that I could come cross. Although I didn't face many problems in real life, it was quite shocking for me because I did not expect that there would be anyone who would really care about my emotions and feelings. No matter what, I believe the teachers at Christ College care about our mental and physical well-beings.

There are some other interesting things like religion, past and future, life and death, etc., that I have been trying to understand and thinking about. In a nutshell, Christ College is a place that improves my studies, a place that helps me concentrate, and also a place that stimulates my thinking.

## Shum Sing Ho Taylor

Bachelor of Business Administration (BBA),  
The University of Hong Kong

Life at Christ College was wonderful. I gained a lot during my six years of secondary school life, not only knowledge but also relationships with classmates and teachers. Chatting during recess, participating in inter-class competitions, and cheering for my house are memories I will always treasure. When the public exam was approaching, we stayed after school and studied together. We had to tackle endless exercises and past papers. It was a tough time, but with the support of friends, I knew I was not walking alone. Sometimes I felt tired and stressed, but after hanging out with friends, the exhaustion and stress were gone.

Teachers at Christ College are warm and kind. Whenever I had questions, they would patiently explain the concepts to me. They never showed any sign of impatience, even though I kept asking questions about past papers for an hour. They helped me achieve good grades in the public exam. Whenever when I faced setbacks in tests or exams, their encouragement motivated me. It was great to meet all these teachers at Christ College.

University is more flexible than secondary school. For example, I can choose the subjects I want to learn. For my program, I can choose a major from four options based on my interests. I can also attend lessons outside my faculty, which allows me to explore different subjects. Apart from studying, I joined orientation camps before the start of the semester. We played water games and danced around the campfire. It was a great experience, and I had so much fun at the camp!

## Chan Tsz Yun Peter

Bachelor of Nursing in General Health Care,  
Hong Kong Metropolitan University

Studying at Christ College was a joyful and supportive experience. The warm environment made me feel loved and cherished. As I prepared for the DSE examinations, my friends were always there to help and care for me, turning stressful times into moments of camaraderie and support.

Now, I am pursuing a Nursing degree at Hong Kong Metropolitan University. University life here is both fun and liberating. The Nursing program offers diverse learning experiences, including laboratory work, simulated nursing wards, and virtual learning environments. These activities not only enhance my skills but also prepare me for real-world healthcare challenges.

In addition to academics, the university hosts a variety of extracurricular activities. From clubs and societies to sports events, there is always something exciting happening on campus. This vibrant atmosphere allows me to explore new interests and make lasting friendships, making my university journey truly enriching.

# School Activities

## Christian Rally

The Christian Rally started off with the inauguration ceremony of Student Fellowship Staff. A new team of student leaders went up to the stage to receive badges. This year, we have 28 staff members.

The theme of this year's Christian Rally is 'Chibimaruko's story' (小丸子的心事). The school invited our alumna Cherry Cheung (張宛芷) to share with us her personal encounter with God and how it changed her life. When she studied in Christ College, she was always late. She was late for so many times that she was even given a demerit. One day, our Assistant Principal Miss Cheung gave her a guitar and they sang hymns together in the classroom. It was not until then that she started to believe in God and break her bad habits. She repented, turned from her sin and returned to God. God's work is amazing! Our alumna has now become a preacher, spreading God's words and wisdoms to millions of people.

Cherry once felt lost and worried, but God saved her and made her life become one that is with purpose and peace. What about you? Do you want to receive Christ as your savior and start a wondrous journey of faith?

*Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! ~ 2 Corinthians 5:17*

Let us repent and become a brand new person in Christ!

The event ended with the singing of hymns, the chanting of the fellowship motto, and a blessing prayer.

Christian Rally is a special event in Christ College. It is held once a year and is one of the biggest religious events in our school. This year, it was held on 20<sup>th</sup> September. Many students from different forms came to join this great event. Many teachers who are Christians also came, even the principal and vice-principals came to join us!

Four days before the Christian Rally, the school fellowship members gave out invitation cards to teachers and students who are Christians. The card looks nice. There are a bunch of grapes on it, which refers to the Christian Rally plus the nine fellowships we are going to have in this school year.

# S4 Training Camp

## 4A Chan Chi Wing

During this three-day, two-night training camp, my most unforgettable memory was the party on the second night. Everyone in our class prepared entrance songs, slogans, class flags, and decorations, all united in contributing to our class spirit. The countryside hike on the third day also left a deep impression on me. A group of us walked and chatted all the way, feeling very happy. The beautiful scenery along the way was breathtaking. When I finally reached the top of the mountain and saw the stunning view, my fatigue from the journey instantly disappeared.

I learned the true meaning of unity during this camp. Unity means having an emotional foundation, working hard for a common goal, caring for each other, and making everyone shine. This is what I have learned!

## 4A Ke Ho Man Oscar

On the first day, we needed to wear some joint limiters, plug our ears, or wear glasses that blurred our vision to try to understand the daily life of the elderly. We not only needed to wear those things but were also asked to complete missions in groups. I think this was the hardest event, but I still tried my best. After this event, I understand how hard the elderly's lives are.

On the second day, we were separated into two big groups by class. One group went to the nearby street to sell flags to some elderly and disabled people. The other group went to the Wu Kai Sha Beach to clean up the beach. After a few hours, we switched groups. I was in the beach cleaning group first. Our group worked from nine o'clock and started again from two o'clock to six o'clock. I think both activities were meaningful. For beach cleaning, it not only increased our teamwork and empathy but also helped protect the environment. By selling flags, we learnt about the difficulties faced by the elderly and how to get along with them.

On the last day, we walked from the Wu Kai Sha Breakthrough Youth Village back to our school. On the way back, I had a little time to reflect on this training camp. First, I think this is indeed a fun and interesting event. It is true that it fulfilled what we were promised: enhancing our empathy, awareness of protecting the environment and helping others. In addition, this training camp had many missions for us to complete within a limited time which improved our problem-solving skills. Lastly, I know that I should always step out of my comfort zone to try more things. All events can be valuable experiences just like this training camp. I started the camp with a negative attitude, but I came out with a positive one and I gained many lessons from it!

## 4A Arthur Chan

Hi, everyone! I would like to share a meaningful event that recently took place at my school with you. The event was a 3-day-2-night camp! It was a training camp in Breakthrough Youth Village in Shatin. All Form 4 students participated, and discipline teachers also joined us. I still think it was so exciting!

On the first night, the coach, classmates and I played a game called Jenga. We needed to build a tower of 10 floors! We also had to use our ropes to make the base leave the ground. It was so thrilling! This activity trained our teamwork and communication skills. Throughout the activity, we were concerned about the stability of the Jenga tower. Its collapse would result in failing the game, so we approached the task with a serious mindset. Finally, we did it! The guys felt relaxed but I was tired, because I had been holding the rope so tightly that my hand was tired. Although we had arguments in the process, it was enjoyable! I think that was my most enjoyable activity and the most remarkable moment.

The second unforgettable moment was when I chatted with my friends. Normally, we just have a bit of chit-chats. But in the camp, we were in the same room! The communication was much more and deeper than before! Although we had to follow the teachers and coaches the whole day, we also chatted with each other after dinner. I think this experience has strengthened our friendships and let us create much cherished memories.

After the training camp, I noticed a significant change in myself. I have become more confident and hardworking, and I believe the friendships with my classmates have become more stable as well. I am looking forward to what this year will bring me and hope for even more exciting experiences ahead. Wish me luck!

## 4B Chan Wing Hun Opal

It was a meaningful event because it provided a unique opportunity for us to explore non-academic areas we may not have time for during lessons. It plays a crucial role in shaping our future aspirations and fostering a love for lifelong learning, leading to higher motivation.

## 4C Luo Wing Sum Angie

We tried bouldering in the training camp. It was something I had never tried before. We had to climb the most difficult path. Yet it was okay because I had the greatest teammates! I was the first girl to climb. It was very high and looked dangerous. When I was climbing, the thing that impressed me wasn't the height, but the spirit of my class 4C! All my teammates were looking at me with their bright eyes and cheering me on! I was very touched, so I put a lot of efforts into climbing. And finally...I made it!

## 4C Chan Wing Hei Irene

After the Training Camp, I have made new friends and got closer to my friends. It was the best camp ever! I learned leadership skills and teamwork, like division of labor and cooperation. Sometimes doing things ourselves is not as good as working with the others. In this camp, we laughed, chatted, and played together. It was the fondest memory of my life!

## 4D Siu Hoi Yiu Stefa

The most unforgettable memory of the S4 training camp for me was the campfire party on the second night. It was my first time at a night campfire, making it a truly special evening. During the event, we created our class flag, crafted a class slogan, and chose a class song, all of which helped build our class spirit. That night, we ran around the grass and danced together—I could feel the energy of youth! We created an unforgettable memory that belongs to us.

## 4D Shek Long Fung Caleb

In this training camp, the most unforgettable memory for me is definitely bouldering. When I first tried it, I was worried about the height of the wall, but my tutor encouraged me to give it a go. Surprisingly, I didn't fear it as much as I thought I would, and I loved the feeling of reaching the top! It was so satisfying and fun. I never expected to overcome a fear so quickly.

Another lesson I learned at the camp is the importance of helping each other. For example, when I wanted to try bouldering again, no one was there to help with the rope. Thankfully, my classmates volunteered to assist me. I was so grateful for having them with me.

Overall, I'm very thankful for this opportunity to enhance our class friendships. I had a great time and am looking forward to the next training camp!

### 1. 「TM師」的初心

我當老師的初心是甚麼？相信不少「同路人」之選擇當老師，都是因為求學期間遇到了改變自己一生的好老師，被其影響，深諳「以生命影響生命」的價值，繼而選擇俯首甘為「孺子牛」。而我，亦同樣。

在我眼中的「師道」為何？「傳道、授業、解惑」固然重要；北宋司馬光的一句亦常警惕我：「經師易遇，人師難遭。」若問及我對「師路」的憧憬，那定是：作「人師」。何謂「經師」，何謂「人師」？常跟學生打趣，為師道行尚淺，大抵只能權當一名「授課員」：灌輸學科知識，完成基本教與學，這大抵就是「經師」之所為；至於「人師」，除了完成基本的教學職務外，更願意在個人修養、師生關係上多付出一些，關注學生各方面的成長。簡而言之，如前文贅及：「以生命影響生命」，正是「人師」之所為也。而我，會朝邁向「人師」的目標好好努力。

### 2. 「TM師」的第一批學生——有愛的基督徒

基督書院的學生，是我正式執起教鞭以來的第一批學生。我校學生，無論哪班，無論我有否任教過，給我的第一印象都是活潑而可愛、親切而主動的，最重要的是：都充滿著在基督裏的「愛」。

雖然我常跟其他同工打趣道「敝班真係好弊」。但坦白說，我是打從心底裏，欣賞每一位我任教過的學生。尤記得往年的我初為人師，一開始教學技巧有不少進步空間，無力感油然而生。其時，同學們非但沒嫌棄我這名「P牌老師」的不足，反而還有些小天使以自己的方式鼓勵我、支持我，這讓我很是感動。我想，「有愛」大抵就是這所學校學生的一大印記了吧。我很感恩，感恩能在教學生涯的第一年，就遇到這群有愛的「基督徒」。

### 3. 我@七十周年校慶及感受

往年，作為基督書院的「新鮮人」，我參加了大大小小、形形色色的七十周年校慶活動。當中，讓我最難忘的是在七十周年校慶第一炮活動——教職員重聚日中擔任司儀一職。

當天，不同年代曾在基督書院服侍過的前輩聚首一堂，重聚話當年，場面何其浩大、壯觀。作為活動司儀的我，戰戰兢兢地逐一唸出前輩們的名字，請他們領取紀念品，在宣傳牌前留下倩影。這群前輩，有的在遷校初期付出過重大貢獻，有的陪伴學校從龍崗道跨越獅子山來到博康邨，有的在新校服務了超過四分之一世紀再行榮休。他們每一位，都在基督書院的歷史中，留下自己的名字。

沒有這些前輩辛苦的栽種，為學校奠下穩健的基石，怎得今天這個校風純樸、師生和樂的校園？更重要的是，活動當天，基督書院過去、現在乃至將來的教職員團隊聚首一堂：前輩們將這所學校的辦學理念、「基督徒精神」親自傳承給我們這些後輩。在活動過後，我們這些新老師，已深切體會何謂薪火相傳，明白自己身上的任務——就是從那刻起，我們正式是一名「基督徒」。

### 4. 一年過去，對學校的感覺

時光飛逝，轉眼間已在基督書院任教一年有餘。我認為，基督最美麗的風景是人。無論是在教育路上一同奮鬥的同工們，還是伴我「教學相長」的學生們。這裏的濃厚人情味，是我認為最美麗的好風光。真的很感恩，能在這所充滿愛的校園中服務。

在此祈願：不同年代的基督徒人，能見證我校走向一個又一個的風光的「十周年」，亦希望我的學生，能在學校歷史中，譜寫屬於自己的光輝一頁。

## 潘雨揚老師

我踏進了基督書院，正式成為老師的第一年，是中一級的班主任。

或許這也是一種特別的安排：回想當年中一活潑好動的自己，常常帶給老師麻煩，最後經班主任的悉心教導，讓我重新反思自己的行為和態度。現在自己要當中一的班主任了，又要教授他們數學的知識，但我更希望教導他們的是學會慎思明辨、修德講學、同理心、抗逆力等，讓他們長大後能應付複雜多變的現代社會。這些素質在社會上越罕見的時候，作為老師更應傳授予學生，且應在他們中學生涯的第一步開始。當然，自己對學生的關愛和教育的熱誠不可或缺，而我自己亦深信，學生遲早均能感受到我那一團關懷他們的熱火。

有趣的是基督書院內都充滿這種的溫暖。同學們都願意與老師溝通；下課鐘聲響起，老師與同學都可聊上各種話題，不論是課堂知識或是個人心事。還記得學期初已經有同學向我訴苦關於家庭及學業方面的困難，我與他們共同面對，給予無條件的關懷，建立了一種和諧的師生關係。

入職時碰上校慶年，即使是剛加入這家庭，亦能感受到的這種不變的關懷和歸屬感。當時在家政室內目睹孩子們努力為開放日準備食物，然後到攤檔見到同學們用盡心機和努力為學校籌款，至今那畫面仍然十分難忘。

展望將來，在這個充滿愛與支持的環境中，我期待與學生們繼續共同成長，創造更多美好的回憶。

## 宋暢老師

來到基督書院已有一年的時間，這裡讓我更想堅守教師這條道路。我希望能夠以生命影響生命，陪伴年輕人成長，幫助他們發掘自己的閃光點。基督書院的學生純樸善良，真誠好學，這令我非常享受教學過程及與他們相處。

很幸運加入基督書院時，正逢學校迎來70周年校慶。在我看來，校慶不僅是學校的盛大慶典，亦是一個讓更多人了解基督書院的寶貴機會。校慶年我主要負責協助教職員重聚日、開放日以及時間囊等項目。重聚日上不同年代的同工聚首一堂，開放日全體師生全情投入，這份傳承與合作的力量也令我深受觸動。

## 林丹淇老師

初到基督，心中滿是感恩，是眾師生的愛牽引著我。我學著每天將一個值得感恩的校園片段放入感恩信箱，一一收集校慶年內裡收到的信件、心意卡、小便條、師生合照，到學期尾再度開啟時已是滿滿當當。

我更願相信這背後所承載的心意及期許，一張張七十週年開放日的合照定格了這些永恆的片刻，像是同學們自發設計的普通話科攤位遊戲，又或是開放日當日學生大使投入的模樣，這些細碎的片段都將成為我們日後回憶七十週年校慶時的最佳憑據。我所能做的，是給予我的學生陪伴及肯定，以愛換愛，讓他們懂得關愛自身，懂得自我肯定並愛護身邊的人，但願我們都能在自愛及被愛中成為更好的人。

"As a new teacher at Christ College last year, I was truly honored to be part of its 70th-anniversary celebration. Participating in various activities alongside students, fellow teachers, and alumni was an enriching experience. It deepened my sense of community and commitment to our shared values. Christ College is truly filled with love, and every policy and activity is thoughtfully designed with our students' best interests in mind. I am so glad to be part of this caring community!"

Being part of Christ College is an ongoing journey of learning and growth, not just for the students but for myself as well. I look forward to contributing to our shared goals and witnessing the positive transformations in the years to come."

## 何建榮老師

常聽說「生命影響生命」。事過境遷，驀然回首，想來自己成長過程中，承蒙良師、長輩的照顧、提點，跌跌碰碰一直走來、成長，亦受他們的影響形成了自己的價值觀，待人處事亦帶有他們的影子。興許，這就是為什麼自己會選擇進入教育行業——憧憬過往為自己傳道、授業的人，希望自己成為一份子。

對我而言，基督書院的學生是知書識禮、活力充沛的一群青少年。常常看到他們課堂上努力學習，在課後為着自己的夢想、興趣愛好而奮鬥。無論是學習還是運動、攝影等活動，能夠看到他們找到自己發光發亮的舞台，展示自我。

適逢70周年加入基督書院，過去一年，實在難忘。不論是協助STEM BASE的啟用典禮、開放日攤位，還是在背後協助記錄、攝影，自己是高興，也驚嘆於基督書院的凝聚力。看見歷屆基督人回來參與活動、慶祝，想來是70年來基督書院薪火相傳的表現，也代表基督人心繫母校，才讓活動如此熱鬧、成功地舉行。

經歷了這一年，心中仍然為此感動，亦為自己能夠加入基督書院而高興，十分高興遇到這裏的學生和同事。

## 洪思澄老師

有幸在2023-24年度來到基督書院。在這裏，我感受到師生之間的相互關懷；在同學偶感壓力之時，會有老師相伴左右；在老師偶露倦意之際，同學們的一句加油、一粒糖果，也溫暖的治愈了老師。

在校慶年期間，同學們的堅強、樂觀最讓我感動。無論是開放日各科組籌備的體力勞動，還是為綜藝匯演的時刻苦練，看著這些辛勤、堅毅而又享受其中的一個個背影，每一分一秒，都是最珍貴的瞬間。

這一年走來，只覺處處是恩典；一路走去，深信處處有神跡。

## 蔡舒敏《怎一個「樂」字了得》

在我心中，成為「沙田區傑出學生」之一這份榮耀不僅是我的努力與幸運，更是學校老師悉心培養的結晶。這份來之不易的肯定令我感到無比驚喜與感激，而這一切的背後，都是學校的全力支持，才讓我得以茁壯成長。

我會將參選沙田區傑出學生形容為一次自我探索的過程，也是面對巨大挑戰的考驗。選舉前，受益於老師的鼓勵和所提供的資料，我全力以赴地準備，希望能以最佳狀態迎接挑戰。然而，過程並非一帆風順。當與其他優秀的同學站在一起時，我感受無比的壓力，不禁自我懷疑：我具備過人的優勢嗎？我已有穩定的答辯能力嗎？忐忑之際，我想起了庾老師的一句——「抬頭望星，腳踏實地」。這句話如同驟雨中的微光，讓我意識到，只要我踏實地展現自己所準備的內容，就已經足夠了。

在這段自我探索的歷程中，我憑藉著這句話成功地通過了初賽、團體競賽和決賽。一路走來，我遇到了不少挑戰，尤其是在團體競賽中，我既要協調不同性格的同學分工完成任務；又要在團隊出現分歧時，勇於表達看法及緩和氣氛。這些經歷，令我又培養了幽默感，不時開些玩笑，成功地令沉重的氛圍轉化為輕鬆。有了這些經歷，我學會了勇敢表達意見及帶動氣氛。

在得知自己獲選的消息後，我是無比驚喜。最令我感激的當然是學校和老師們。如果不是庾老師願意給我這個嘗試的機會，我就不會有如此意想不到的成就。再一次感謝學校和老師的鼓勵和支持，我會珍惜這份榮譽，一直秉持基督人素質，繼續追求卓越！

## 劉煒《感激》

這次選舉無疑是一次充滿成長的特別經歷，留給我許多難忘的回憶，也讓我認識了許多來自不同學校的優秀同學！

一直以來，我總認為自己沒有很強的組織能力。但經歷團隊競賽時，我卻能有組織及有序地與組員完成各項挑戰，還在休息時間給大家唱唱歌，打打氣，令組內的氣氛變得活躍起來。

我更看到——自信樂觀的心態給予我的幫助。無論是兩次面試，還是團隊競賽時，我都常常露出自信的微笑，用自身的開朗和正能量感染身邊的人。「微笑」不僅拉近了我與身邊人的距離，也讓面對的挑戰感覺輕鬆了不少。

楮墨有限，不能盡言。最後，我想對一直支持我的家人和用心教導我的老師們說句：「感恩有你們的悉心栽培，方有我今日之成就！幸獲大家的厚望，我也會繼續努力，在更多領域繼續發光發熱！」
